

MURTHA SOLUTIONS, LLC

Innovative Landscaping Solutions

A Commitment to Conservation

Landscape Solutions is a full service landscape management provider that has served Saint Louis since 2003. We specialize in corporate, commercial and industrial facilities as well as homeowner associations, retail properties, and multi-family dwellings. Our longstanding reputation is built on providing reliable, professional, and customized service to our clients.

Within our organization, our staff members are very aware of the commitment we have to conservation. It's more than a catchphrase or a gimmick, it's a culture that penetrates the daily lives of our people. By reinforcing the kind of practices that we advocate, we foster conservation in our office procedures and in our personal lives.
